LOSBERGER PARTNERSHIP

MORETON HIRE

130 YEARS OF COLLECTIVE EXPERIENCE

Moreton Hire is proud to work in association with the world's largest and most reliable manufacturer of temporary structures; Losberger Germany. With the benefits of German engineering, Losberger is a family owned and operated and is renowned for their first class products. They boast the highest safety standards and leading technology in design, which is critical when providing temporary facilities.

We believe the best partnerships are always complementary. By combining two unique perspectives, and a collective experience of over 130 years, the Moreton Hire and Losberger Partnership offers a combined infrastructure solution that boasts experience and proven results. Having worked together since 1973, both groups value a meticulous attention to detail and use of the latest innovations, all while delivering world-class event solutions that don't compromise on safety.

“Sleek and modern for any scale event.”

Pagodas & Eurotops

Versatile tents suited to many occasions.

PAGODAS

The Pagodas marquee is a versatile entrance level tent. Ideal for impressive entrance features, pop-ups, walkway cover or community events.

Quick Size Guide:

- Sizes:** 3m x 3m, 5m x 5m or 6m x 6m
- Leg Height:** 2.4m
- Walls:** White Vinyl

EUROTOPS

The Eurotop is the latest design of peaked tents - bringing a more sleek and modern feel to the entrance marquee range. Similar to the Pagodas, the Eurotop is perfect for your smaller marquee requirements - pop-ups, dinner parties, stalls, registration areas... the list is endless!

Quick Size Guide:

- Sizes:** 3m x 3m, 5m x 5m and 6m x 6m
- Leg Height:** 2.4m
- Walls:** White Vinyl

Structures

The ideal choice for large events and celebrations.

“Our Structures are ideal for medium to large events.”

Together with interior design and styling, your event will be a truly memorable experience for you and your guests.

Quick Size Guide:

- Width:** 3m, 4m, 6m, 8m or 10m
- Length:** Multiples of 3m
- Leg Height:** 2.4m to 3.4m
