Make it a night to remember with an engaging & entertaining environment

Ever been stuck at a formal sit-down dinner with no freedom to move around? Most functions benefit from the inclusion of a fluid space where people can perch, pass around their business cards and catch up with old friends. Or perhaps that's the appropriate set-up for your entire event – after all, a bar doesn't have to be a trestle table off to the side; it might be the focal point of the proceedings. Moreton Hire stocks a range of stools and versatile dry bars that can be used to create a more inviting informal environment for your event – one where guests can relax and enjoy the moment.
